## Calgary Power invites newsmen to witness closing at Bighorn Dam

The only tense moment of the Bighorn closing operation came on Tuesday August 8, when technicians lowered the gate into position. The crane shown pouring the cement had to be brought in at the last moment when the one on site had a breakdown, which delayed the operation for several hours. More worrisome for Calgary Power officials however, was the knowledge that if the gate installation wasn't effective, the whole project could have been set back a year. As it turned out the manoeuvre was extremely successful and the chief engineer commented that the Bighorn was the best close off he had seen.

## Council Replaces Delegate

Council ratified a recommendation made at the committee meeting of the whole, held in camera July 31, that Mayor Ray Gibbon be relieved of his duties as town representative to the Edmonton Regional Planning Commission and replaced by Councillor Frank Lukay, with Councillor J. J. Bakker as alternate.

Contained in the agenda portfolio for the regular meeting of August 8 was a

letter addressed to council from K. G. Newman, chairman of the Edmonton Regional Planning Commission. Councillor Kambouroff asked Mayor Gibbon how come Mr. Newman of ERPC was supplied with information dealing with a matter, discussed at a committee meeting held behind closed doors. Mayor Gibbon replied, "I'm glad you asked that question, councillor, I feel that when attacks are directed

at me . . . attacks that damage my reputation and allegations which tend to defame me . . . I have every right to defend myself," he said. He continued by saying that innuendoes were made whereby, "my performance as representative on the ERPC has been blemished."

Mayor Gibbon then read his letter to the ERPC spelling out some of the allegations made. The letter continues.

Continued on page 2

Ernie Jamison of the St. Albert and Sturgeon Gazette was among the Alberta media people who accepted the invitation of Calgary Power to witness the closing of part of the North Saskatchewan River to allow the creation of Abraham Lake and completion of the Bighorn Dam, 75 miles west of Nordegg. The \$43 million dam and storage development will enable Calgary Power to provide additional peak power for Alberta's growing needs. The project will at the same time aid in regulating the flow of the river.

When the plant commences daily operation the effect of the project should help even the flow in the North Saskatchewan by storing water during spring run-off, and releasing increased flow during the winter.

Helicopters were available to give the reporters an overall view of the project, the workmen's campsite was a base for looking after the stomachs and sleep requirements of the guests.

In view of the fact that the Edmonton Journal showed

ed Ernie Jamison in the picture they ran of the event, and called him a "workman on the site," the Gazette decided not to run Jamison's rather good picture of the Journal's reporter phoning in the story. However the picture is being forwarded to the Journal newsmen.

The Bighorn site was first investigated in 1953. The presence in the river bed of a 210-foot deep gorge filled with highly pervious gravel presented a serious problem at that time, nearly 20 years ago. French and Italian engineers had experienced such difficulty and the aid of Italian engineers was enlisted to solve the problem, using techniques new to this country.

Calgary Power staff were available at all times to answer any questions posed.

## Tie Vote Again Defeats Hotel On Ball Estate

Sam Shapiro of St. Albert Motor Inn (1972) Ltd., accompanied by his architect Mr. T. Hutton tried again and lost his bid for rezoning of a portion of his land holdings in the Ball Estate subdivision.

Mr. Hutton explained to council that Mr. Shapiro required the rezoning of Lot 9, being a portion of the land assembly in that subdivision and fronting on Ball Avenue, on which St. Albert Motor Inn (1972) Ltd. plans to construct a hotel complex. Lot 9, being zoned single family would have to be rezoned commercial for the proposed development to go ahead. Mr. Hutton told council that Lot 9 was urgently required in this proposal for parking space.

When councillors started bringing up opposition to the rezoning application, Mr. Shapiro stepped into the ring and explained that he had gone to great expense as-

sembling this land. He explained to council that it was very urgent for him to obtain a clear title and rezoning approval in order to go ahead with the hotel complex.

Continued on page 2

Don Mills of St. Albert's Public Library is shown busily unpacking one of five boxes of books donated by St. Joseph's Seminary, Newman College. The donation amounting to about 300 beautiful volumes include a 25-volume series by Charles Dickens. The generous gift also includes many recent titles.

## Vegetable Mart opens Saturday at Lions Park

and of vegetable shopping day.

The sale gets under way this Saturday, August 19 from 9 a.m. until 8:30 p.m. On Sunday the mart will be open from one o'clock till 8:30 and on week-days hours are 6 p.m. to 8:30 p.m.

As the produce ripens a large variety of garden vegetables will be offered. They will be supplied by Ted and Lois Hole, which is the public's assurance of quality produce.

Proceeds from the sales will be used for St. Albert Lions Club community service projects.

## Sanitary Landfill Hearing Continues

The continuation of the sanitary landfill site hearing will commence at 9:30 a.m. Thursday, August 17 in St. Albert Town Council Chambers.

C. G. McGregor, chairman of the Local Authorities Board, accompanied by I. Morris, LAB solicitor and member of the board will hear additional submissions on the subject.

"We were unable to hear all evidence on the issue at the July 25 session of the hearing," Mr. McGregor said. "and therefore, we're simply devoting another day during which we expect all interested parties can be heard."

On the morning of July 25, when the first session of the sanitary landfill site hearing was held, two solicitors, R. A. Weeks, representing the Proctor Estate and David J. Tilley, representing several interested parties admitted neither had prepared sub-

missions and asked for postponement. Mr. McGregor informed both solicitors that he would not grant a postponement but will make every attempt to hear all submissions. As it turned out, the first session of the hearing was not long enough for all submissions to be heard and so, a continuation was ordered.

On Thursday morning, the LAB will hear submissions from Messrs. Weeks and Tilley . . . and perhaps others, then town solicitor, Mr. Brownlee will be given an opportunity to cross-examine. He may also call other witnesses.

The hearing deals with an application by the Town of St. Albert to acquire a sanitary landfill site of about 10.1 acres in size located about one mile south-west of St. Albert. The land is located within the Municipal District of Sturgeon and owned by Northern Alberta Products Ltd.

This is a hard way to make money . . . but for the Penny Carnival, anything goes. Jim Bourassa (left) is seen holding up the tire with his friend Chip Boherge while contestants try their hand at throwing a football through the tire. All this may not have a great deal of appeal in the Royal American Shows but it's a means to raise funds, and the contestants had fun trying to beat the house.

## Forest Lawn residents oppose rezoning plan

Two public hearings came before council Tuesday evening at the regular meeting, one deal with Bylaw 30/72 regarding the proposed lane and street closure running adjacent to Lions Park and Bylaw 38/72 regarding the rezoning proposal by Stanton Developments Ltd. of about 15 acres of land in the Forest Lawn Sub Division. The area under contention is presently zoned R3 (multiple family dwellings) and the developer is making application to rezone that portion of Forest Lawn, about 10 acres to R1C (single family) and the remaining five acres to R3A (apartments).

Speaking against the proposed closure of a portion of Tache St. and St. Thomas Street running adjacent to Lions Park was Dr. Wm. D. Cuts who made an appeal to stay the closure. He spoke as an interested Lion member and citizen of St. Albert.

Dr. Cuts, in his eloquent appeal to council pointed out the active part he has played in the development of Lions Park. "My name is on the original title of the Lions Park property," he told council. He continued by explaining how important Lions Park is to St. Albert as one of the major entertainment show pieces of this town.

"I'm opposed to the proposed closure of St. Thomas Street," Dr. Cuts said, "because we have been working for many years to develop that facility and now we can't see why the town should permit this beautiful park to be hidden behind a development such as the one proposed."

"With the closure of St. Thomas Street," Dr. Cuts said, "Lions Park will not only be hidden from view but a strip of about 15 feet wide will disappear, along with a row of trees off Lions Park. Remember that once you close this street and let it become part of the proposed development, that street is lost forever," he warned. In conclusion, Dr. Cuts further warned council that the present developer may make very valid promises but these promises have a tendency to fade into oblivion if and when these developments change ownership.

Councillor John de Bruijn made an observation that a few years ago, St. Thomas Street had been advertised for closure and said no objections had been received from the Lions at that time. Dr. Cuts explained that that was probably because Lions Park at the time was not developed to the stage it is today.

This Bylaw being 30/72 now stands in second reading, pending a third and final reading.

Regarding the other bylaw, where Stanton Developments Ltd. applied for rezoning, Councillor J. Bakker made the motion that council not proceed with the application to rezone. This motion was approved 5-1 with Councillor de Bruijn being opposed.

Although Stanton Developments Ltd. attempted to convince council that their request for rezoning was a reasonable one, representation and letters from residents of the area, who registered their opposition to the application was too overwhelming. Council had no just alternative but to respect the petitions from the residents, especially those from Fair Oaks Drive.

Here are some of the comments made at the hearing, both verbally and by letter:

"I wish to state my opposition to Stanton's request to rezone. When I first supported the petition, I was told the overall density would be reduced, which I realize is correct, but I was not made to understand that the density at the northern end of Fair Oaks Drive would be doubled."

A letter signed by eight residents read in part: "We wish to state our strong disagreement with Stanton Development's request to rezone. We feel this proposal should have been presented to us at the time we purchased our homes . . . and not now."

Verbal opposition was of the same tone and the reasons were basically the same . . . namely that present home owners in the area do not want apartment blocks located adjacent to their area.

## Day Care center

Last Friday the board of the St. Albert Day Care Centre formally approved the hiring of Mrs. Joanne Lussier as their director. Mrs. Lussier is excellently qualified, having taught in pre-school programs for many years after obtaining her special education training in Holland.

Kathleen Stewart reports that several inquiries have been received to date in regard to admission policy.

"The Centres' policy is flexible at this point. We will consider all applications for children two or over as long as they are toilet trained. Part time applications and applications from parents wanting to take advantage of an excellent pre-school program for their children even though they are not working will also be considered," she said.

## Council Stalls Gazette Permit For Extension

Ernie Jamison's application for a building permit to extend and renovate The Gazette Building was denied last Tuesday at the regular meeting of Town Council.

Negotiations for a land exchange proposal were initiated by Mr. Jamison in October of 1971 when he offered to swap part of lots 55 and 56 for a portion of the laneway east of Perron Street and north of St. Anne Street. Mr. Jamison's proposal was approved by the Edmonton Regional Planning Commission about three weeks later.

Last Tuesday, council ruled that the building application be denied until the town obtains title to that portion of the laneway. The motion was made by Councillor Kambourof and carried 5-1. Only opposing vote was cast by Mayor Gibbon.

In view of the refusal, Mr. Jamison announced he will make application for a building permit which will cover renovations to The

Gazette Building but no extension.

## Council Replaces

Continued from page 1  
cl received in reply states in part, "We were surprised to learn from Mr. Gibbon that the reason for his replacement was related to allegations that his actions on the Commission had brought about poor relations with other municipalities."

Mr. Newman's letter continues by saying that it was the unanimous opinion of the Commission that Mayor Gibbon's work and efforts in Commission work have been very constructive and, "it was the opinion also of the members of the Commission that there was no substance to the allegations mentioned."

Mayor Gibbon concluded that the atmosphere of discussion around the council table can only be attributed to clashes in personalities.

## Defeats Hotel

Continued from page 1

plex. "To have my mortgage application approved I must have clear title and the land rezoned," he said. "At least consider giving my application a first reading," he appealed.

Opposition came from almost every quarter. Councillor Frank Lukay expressed concern for residents in the Ball Estate subdivision who might be annoyed by the noise generated by the hotel complex. Councillor Thronson came up with the suggestion that neighbors in the area should be canvassed before such a rezoning plan is entertained. Councillor Bakker reminded the applicant that he was opposed before because an overall plan was never submitted "and I'm still opposed," he said. Mayor Gibbon told Mr. Shapiro that an overall plan was required before his application would be considered. Only Councillor deBruijn had something good to say about the application to rezone Lot 9 from single dwelling to commercial because he felt that once that plot of land becomes a parking area, it will have to be filled and levelled, thus eliminating what is now a veritable slough. Councillor deBruijn also pointed out that St. Albert could use the additional tax revenue from this complex. He then made a motion that a bylaw be prepared for rezoning Lot 9 from single dwelling to commercial. The motion was again lost in a 3-3 tie. In favor were: Councillors Kambourof, deBruijn and Lukay. Against the motion were: Mayor Gib-

bon and councillors Bakker and Thronson. Absent from this meeting was Councillor R. Hudson.

Mr. Shapiro was advised to come back before council with an overall plan of his land assembly bordered by Ball Avenue and Edmonton Road.

## LOCAL AUTHORITIES BOARD

IN THE MATTER OF The Municipal Government Act

AND IN THE MATTER OF an application by the Town of St. Albert, Alberta for approval to acquire certain lands situated in the Municipal District of Sturgeon No. 90 pursuant to the provisions of Section 127 (4) of The Municipal Government Act":

AND IN THE MATTER OF the resumption of the public hearing held in the Town of St. Albert, Alberta on July 25, 1972.

TAKE NOTICE that the Local Authorities Board will resume the hearing of the aforementioned matter in the Council Chambers in the Town Hall, Town of St. Albert, Alberta on Thursday, August 17, 1972 at the hour of 9:30 A.M.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in the matter, and you are hereby notified that at the time (August 17, 1972 at 9:30 A.M.) and place (Council Chambers in the Town Hall, Town of St. Albert, Alberta), you may appear before the Board to make such representation on the matter as is appropriate to the resumed hearing.

DATED at Edmonton, in the Province of Alberta, this 4th day of August, A.D. 1972.

## Town of St. Albert

### Notice of Intention

Notice is hereby given that the council of the Town of St. Albert deem it advisable to close and sell all of that portion of the Government Road allowance north of the CNR Railway plan 9201 to Lakeview Drive.

Section 175 of the Municipal Government Act, Chapter 246 R.S.A. 1970 provides that council, subject to the approval of the Minister of Highways, may pass a bylaw for this purpose.

Bylaw 40/72 has been prepared and will be presented to council September 18, 1972 for first reading and will then be submitted to the Minister of Highways for his approval prior to the final passing thereof.

This notice shall be published each week for two consecutive weeks, the last of which will be on August 23, 1972.

Before the passing of this bylaw, a person who claims that land in which he is interested as owner, occupier or otherwise will be affected prejudicially by the bylaw and who petitions to be heard, shall be afforded the opportunity to be heard either by himself or by his agent in accordance with the said act.

Any person owning or otherwise interested in land that sustains damage through the closing of the aforementioned lane shall be compensated for such damages in accordance with the said act.

Written petitions to the proposed bylaw will be received by the Secretary-Treasurer at his office until September 13, 1972.

R. B. Bowen,  
Secretary-Treasurer.

## David Brandrick married in Drummondville Quebec

On July 22 in the Church of St. Pie-X, Drummondville, Quebec, France Courchesne, daughter of Mr. and Mrs. Germain Courchesne and David, son of Mr. and Mrs. Ronald Brandrick, 19 Gordon Crescent, St. Albert were united in marriage.

The bride was given in marriage by her brother, Jacques Courchesne, her father being very ill. The modern ceremony was performed partly in French and English by the bride's Uncle l'Abbe Jean-Marie Courchesne, and a complete English translation was read by Mr. Gerard Courchesne.

Several solos, including "Ma Vie C'est Toi," were sung in French by members of the choir, normally led by the bride's father. The entire ceremony was put on tape.

The petite bride looked charming in a full length gown of white crepe with dotted nylon overlay, and yellow ribbon-trimmed bodice. Her cap style head-dress and veil were similarly trimmed, and she carried a bouquet of yellow roses and ribbons. In the traditional manner of "something old" she wore gold ear-rings which the groom's great-grandmother

MR. & MRS. DAVID BRANDRICK

had worn over 90 years ago. She was attended by her sister, Michelle Courchesne, wearing a long blue crepe dress with dotted nylon overlay.

For her daughter's wedding the bride's mother wore a long blue chiffon gown with deep blue embossed flowers, and a pink rosebud corsage. Mrs. Brandrick chose a long blue chiffon dress patterned with pale mauve and pink flowers with pink rosebud on corsage.

A reception and dance was held at "Du Bois Joli," St. Majorique. The bride's uncle, Mr. Gerard Courchesne, being bilingual acted as master of ceremonies, and her cousin Mario Bois-Joli played the electric organ.

The newlyweds will be taking a trip to the British

Isles in September to visit the groom's grandparents and relatives in England and Wales. They will make their home in Toronto.

Melted down, all the iron in Paris' 1,056-foot Eiffel Tower would fill a cube only 33-feet on a side -- or the size of a three-story house.

The amount of gold hoarded by ancient civilizations probably totalled not much more than the output of the Witwatersrand district of South Africa in a single year.

Some 9,000 miles of new roads -- enough to girdle the Nation -- are added annually to the United States' highways system.

## Bighorn Dam

Continued from page 1  
ed by the media people, and the company proved very excellent hosts. It would be an interesting experience for any of our readers to visit the site and see for themselves what has been done. The project is a joint venture of the Alberta Government (started under the previous administration) and Calgary.

Power, and came under somewhat heavy fire from the St. Albert Fish and Game Association, among others. There is of course a continually growing pressure for more energy right across this continent, and there must be a response to this pressure, or an extreme shortage of electrical power needs of industry and municipal consumers. A forecast of electrical energy and resource re-

quirements of the province of Alberta has been undertaken by the newly-established Electric Utility Planning Council. Representatives from Alberta Power, Calgary Power, Edmonton Power, Calgary Electric System, Cities of Red Deer, Medicine Hat, Lethbridge, the Cooperative Activities and Credit Unions branch of the Dept. of Agriculture, the department of telephones and utilities, and the energy resources conservation board are involved.

To relieve the collective minds of the media people of technical and ecological impact of the project, Calgary Power hosts made us of the natural assets of this Alberta rea, and took their guests on a fishing trip.

Guide was an experienced woman who could outdo most everyone at catching a trout, entertained with an accordion and singing her own original compositions and perhaps unwittingly added something to the women's lib movement. Jamison won the pool on who would get the first trout, but of course back in St. Albert the RCMP heard about it, and were able to grab \$5 on his illegal parking ticket.

The earthfill dam when completed will be 300 feet high and will back up water in a reservoir which will have a length of some 20 miles and a surface area of 13,700 acres. This entire storage area has been cleared of all brush and timber.

Dick Wilson of Calgary Power, foreground, Darle Reidie, Journal photographer and Pilot Bill Shyptika prepare for a hop over the Bighorn Dam site a week ago Tuesday. Photo was taken just minutes before the closing of the gate which shut off a portion of the North Saskatchewan River, to begin flooding of man-made Abraham Lake. Worthy of note is the fact that both Dick and Bill are St. Albert residents.

At the dam face the maximum depth of water will be approximately 290 feet and the reservoir will contain 1,165,000 acre-feet of usable storage with 120 feet of drawdown. Water will be supplied via an 1,100 foot long power tunnel to the powerhouse containing two 75,000 h.p. turbines turning two 54,000 kilowatt generators to add annually some 400,000,000 kilowatt hours of energy to Calgary Power Ltd.'s system.

## Cubs Bounced Out Of Provincial Playoffs

The baseball season is over for St. Albert Cubs bantam baseball team.

The Cubs, St. Albert's representatives in the provincial playoffs, were bounced from the Northern Alberta final last weekend in Stony Plain when they let Barhead run away with a 17-3 decision.

Cubs had lost their opening game of the double knockout tournament 9-3 to Edmonton Newton Saturday afternoon but kept their playoff hopes alive with an 11-7 win over Stony Plain that night.

Sunday, however, they had nothing to offer. Barhead went to work in the first inning and opened up a 6-0 lead, and from then on things only got worse for St. Albert.

Barhead got three more in the top of the third, but St. Albert got those back in the bottom half of the inning, Allan Musto hitting a home run and Terry Leddy, Cletus Gagnon and John Bennett following with singles.

Barhead got five more the next inning, however, and it was all over but the shouting.

Barhead, advancing against Edmonton Newton, lost 7-3 and Newton will travel to Fairview next weekend to compete in the provincial final.

There were just too many heavy hitters in the tournament for Cubs' liking, and that, coupled with a short outfield fence, spelled disaster for them. They gave up 10 home runs in the three games, three of them three-run shots in the final game. Cubs got two, Musto connecting in the final game and Tom Parayko in the first. In the opening game, against Newton, Cubs trailed

only 1-0 going into the fourth inning, the Newton run coming from a home run by Jeff Elkow. Pitcher Wayne Babych homered to open the fourth, but a Cub error moments later gave Newton two additional runs for a 4-0 lead. Cubs made it 4-1 in the bottom half of the inning and traded a pair in the fifth, scoring their two on Parayko's homer with Billy Burton on base.

It was their last shot, however, as Babych homered again in the seventh and moments later Lyle Jaggard hit his first of four for the tournament, a homer he wouldn't have had except for an error seconds earlier.

Terry Leddy took the loss, giving up 12 hits. He walked only one batter and struck out one in going the distance. Cubs collected only two hits.

Parayko started the second game against Stony Plain and faced only four batters. He got the lead-off man on a ground ball, then gave up a home run. An infield pop-up produced the second out, then another ball went out of the park, a prime example of the power of some of the teams in the tournament.

Musto came on to get the third out, however, and for the first time that day Cubs began to do a little hitting of their own. Parayko and Musto, Cubs' most productive hitters over the tournament with four hits each, put singles back-to-back their next two trips and before Stony Plain got back into the act, Cubs had an 11-2 lead.

Musto never ran into trouble until the sixth, moving down nine in a row from the third through the fifth. He gave up two walks and

a single in the sixth and all three runners scored on an outfield error.

He gave up a two-run homer in the seventh for the only earned runs against him. He gave up six hits in six innings, fanned six and walked five.

Gagnon took the loss in the final. In this one, three Cub pitchers gave up nine hits but issued 14 walks. They struck out six.

In earlier action to reach the northern final, Cubs had won seven out of eight games, defeating Gainsford four straight and Slave Lake three straight after an opening game loss there.

The Cubs: Tom Parayko, Terry Leddy, Allan Musto, Cletus Gagnon, John Bennett, Michael Mitchell, Billy Burton, Peter Upright, John Penrose, Travis Parayko, Steve Lister, Sandy Millroy, Darrell Billsten.

## Local track star eyes Canadian title

Sue Hoffart of 6 Mill Drive St. Albert is a budding track star certainly worth watching. Her track accomplishments during the past three years, while under the watchful eye of her trainer, Roy Gouchey, 47 Gladstone Cres., indicate Sue is a 'shoo-in'.

Sue identified herself as an ardent track pupil back in 1968 while she was still only in Grade 9 and her physical education teacher at St. Albert High was Roy Gouchey. Although Mr. Gouchey now teaches at Victoria Composite in Edmonton, he has continued to train his star track pupil through the ensuing years.

Proving that perseverance pays off, Sue this year acquired a long list of track accolades. These include: two firsts in Grande Prairie two firsts and a second in the Sturgeon High School Meet in Morinville, two firsts in Sherwood Park, a second and a fourth ribbon in the Alberta High School Championships in Edmonton and two seconds in Alberta Age Class Finals in Calgary held July 22-23. Having qualified for the Western Canada Age Class Finals, also held in Calgary, Sue came up fourth contender in both, 800 and 1500 meter competitions.

Having reached that plateau in Western Finals, Sue now enters the Canadian Age Class Finals being held in Montreal August 19 and 20. Three days later, while still in Montreal, Sue will participate in the relay team competition in the Alberta vs Quebec contest. This will be an 800 meter race and a 400 meter relay race with four contestants in each.

Mr. Gouchey told The Gazette his objective for Sue this year is to have her rated in the top 10 in Canada for the 800 and 1500 meter classifications. "We also

Sue Hoffart of 6 Mill Drive will be leaving for Montreal on Friday. Local groups and individuals are all pulling for Sue's success at the Canadian Age Class Finals to be held in Montreal and the Alberta vs Quebec competition. Proof of local support came in the form of cash contributions along with track equipment from service clubs, schools, business firms and individual gifts.

hope Sue will place in the top three in the Alberta vs Quebec dual meet," he said. Sue leaves for Montreal Friday, August 18 and plans to be back home around August 24. When asked what

her plans for next year were, Sue said, "I graduated from St. Albert High this year and really don't know yet whether I'll enter university."

## Full Roster Ends Swim Class Season

The last session of swimming lessons got underway on Monday morning with almost full registration at all levels. These lessons will continue on week-days for two weeks. All pre-beginners and beginners will be examined Thursday, August 24, and the rest will be examined Friday, August 25. Adult lessons will finish on Thursday, August 24 with their last lesson and examination.

There have been an extremely large number of people taking swim lessons this summer and we hope

they have all learned a great deal and are now more safety conscious.

The present summer public swimming schedule will continue until Sunday, August 27. Watch next week's Gazette for the new schedule for swimming after that date.

Swim Fest 72, scheduled for last Sunday, August 12 had to be postponed because of rain and will be held Wednesday, August 16 at 7 p.m.

Bring your family and come out to see a display of synchronized and competitive swimming, diving, aquatic comedy acts and many other entertaining features. There will be no public swimming or teen swimming tonight, (Wednesday), because of the water show.

Sunday, August 20 anyone interested in swimming the mile will have a chance to do so from 9 - 10 p.m.

## Recreation News

**JOINT USE AGREEMENT**  
Under the Joint Use Agreement between the town and the two school districts, accommodation is made available for various recreational activities and organizations in St. Albert. Secretaries of groups wishing to apply for accommodation are asked to send their applications to the Department of Recreation at the Town Hall as soon as possible.

Real estate agent to young couple: "Yes, I think we have some \$10,000 homes. How much would you like to pay for one?"

## Calahoo Fastball Tournament

In conjunction with the giant barbecue on Saturday the Calahoo Sports Association will hold a 12-team fastball tournament Saturday and Sunday.

The hard-working association is also attempting to bring in a top first division ball team from Edmonton, to play an all-star team from

the Sturgeon Valley Fastball League in an exhibition game Saturday evening.

Tickets for the barbecue will be sold on the grounds Saturday at \$5 per couple with serving times between 6 and 9 p.m.

A dance in the Gazebo will follow, along with refreshments.

## Clymont wins Calahoo All Girl Tournament

By Liz McLeod

Rain certainly hampered the first half of a most exciting eight team all women's ball tournament held on August 13th at Calahoo's sports grounds.

A large crowd gathered to watch Riviere Qui Barre play the Northeast Startles with the Startles coming out

the winners. Due to the Beverly Misfits absence, Clymont won the 10 a.m. draw by default.

The noon draw saw Calahoo win 16 - 6 victory over Spruce Grove in a game stopped for rain, with the result of many thrills and spills on a sloppy field.

On the second diamond,

also a quagmire, Stony Plain came up against the Edmonton Native Daughters with Stony Plain Startles coming home victorious.

In the 2 p.m. draw Clymont met the Northeast Startles in a thrilling game with Clymont winning 9 - 7, while Stony Plain defeated Calahoo.

To determine the winners of the A and B events, Clymont met Stony Plain in one of the best games of the day with Clymont winning first place and the purse of \$80 with Stony Plain gaining \$30, prize money. The cheering was drowning out the umpire's calls and everyone got into the act and I'm sure the fans could be heard miles away.

In the B event a really well organized RQB club teamed up to out-smart the Spruce Grove team, and gain a 17-5 victory and receive the \$30 prize.

The game between Spruce Grove and the Native Daughters proved very interesting with Spruce Grove the

## Chiefs lose at Ponoka

The Lacombe Jets took advantage of some early inning errors by Calahoo to take an 8 - 2 win over the Chiefs in the semi-finals of the annual Ponoka Royals fastball tournament.

Two infield errors allowed the Jets to score four runs in the 6th and 7th innings and this was all the Jets needed for their victory. The Jets went on to defeat Camrose 4 - 3 in the A event final.

In the Chiefs opening game Saturday, some of the players were late arriving and coach Emile Berube was

forced to start his brother Subb's wife, Donna, in right field in order to field a team. Fortunately the Chiefs batted first and scored five runs. Donna batted in the inning but was a victim of a strike-out. The rest of the Chiefs showed up a couple of innings later and went on to win 9 - 2 over the Calumet Cubs.

In their second game the Chiefs upset the Ponoka All-Stars by the same 9, 4, 2 score with Ian Brown on the mound, Gail Refshauge, Mel Eisner, Gordie Cusi, Roger and Subb Berube all had two hits each for the win.

## Militia Offers Career To Young Men, Women

To those students employed on the recent St. Albert Sturgeon River Student Summer Employment Program as well as to all other interested students or individuals in the area an invitation is extended to participate in the activities of the Edmonton Militia District which offers permanent paid part-time employment throughout the year.

Those members of SEEP Program 4 are already aware of a few of the many opportunities available to Militia members from observing the activities during the Summer. In addition to receiving pay the Militia provides basic training, trades training, travel and comradeship.

Basic training consists of drill, first aid, service knowledge, map reading, radio procedures, weapons handling. Trades training is provided by individual units in such fields as infantry, artillery, engineering, communications or services.

Of particular interest in the services area is the Medical Assistant trade where most of the activities take place in support of other units. Another very attractive setup will be with the new Logistics and Administration structure as a

supply technician wherein the trained militiaman may be attached to the unit of his or her choice or remain with the base unit. In either case there is ample association with other units and travel as well as considerable opportunity for promotion.

The basic requirement for joining the Militia without obligation to remain or compulsion to join the regular forces is to be 17 or over, male or female, physically

fit and willing to learn. Normal working hours have been for two hours on Wednesday evenings and six hours on Saturdays.

Indications are that if sufficient response is received from this area that special transportation arrangements will be made to and from the prince of Wales Armouries.

For further information please contact Captain Lynch, 43 Greenbrier Cres., 599-8977.

## Christian Ladies, Clerics Present Gifts To Hospital

A dual presentation was made Thursday of last week to the Sturgeon General Hospital. The Christian Ladies of Legal presented crucifixes while members of the Ministerial Association of St. Albert, representing the seven local denominations presented the hospital with the New Testament "Good News For Modern Man."

Making the presentation on behalf of the Christian Ladies of Legal were Mrs. Beatrice Maurier and Mrs. Octavia Cloutier. Acting on behalf of the St. Albert Ministerial Association were Chairman, Rev. John C. Barford of St. Matthew's Anglican Church, Rev. Noel Gordon of the Presbyterian Church and Rev. Colin Levanle of the Roman Catho-

lic Church.

Accepting the presentations on behalf of the Sturgeon General Hospital was hospital administrator C. Keyes. A third presentation was made at the same time, this was wine and bread for use by any minister while visiting parishioners in hospital. Rev. Barford handed the communion elements to Mr. Keyes with instruction that these be made available to any clergyman wishing to give communion to a patient.

Members of the St. Albert Ministerial Association and the Christian Ladies of Legal presented new testament books and crucifixes to the Sturgeon General Hospital last week. Left to right: Rev. Noel Gordon of Braside Presbyterian Rev. John Barford, St. Matthews Anglican; Rev. Colin Levangle, Roman Catholic Church; Mr. C. Keyes, hospital administrator; Mrs. Octavia Cloutier and Mrs. Beatrice Maurier, both representing the Christian Ladies of Legal.

## Around Town

Two top RCMP detachment officers have just taken up duties here in St. Albert and both have purchased homes and moved in last week with their respective families. Sgt. R. J. M. Roy comes from Innisfail, Alberta where he was in charge of the detachment for four years. He comes to St. Albert with his wife Faylis and two children, Tom 12 and Sheila 9. Sgt. E. L. Rheault, whose wife is Lavonne and two children Lance 12 and Judith 10 come from Ottawa. Although Sgt. Rheault claims his French is not very fluent but don't let him kid you, this newsman heard him spiel off very eloquently.

A very popular local couple Mr. and Mrs. Jim Maguire of 8 Springfield Crescent will be missed when they leave to make their new home in Brandon, Man. The Maguires have made their home here for over seven years, during which time they have made many friends. At last Tuesday's Lions breakfast, Lion Jim was given a vote of thanks for the many good years he contributed to the club. The Maguires plan to leave August 19 for their new home at 17 Grant Blvd., Brandon, Man., where Jim will assume new duties as general agent for Occidental life.

We were happy to have a visit from former Gazette staffer Lindy-Lou L'Hiron-

delle last night, particularly since she brought us a lovely bouquet of fresh cut flowers from her garden. The fact that she had intended to give them to Marg. Lovatt

of Town Hall staff, didn't disturb us all that much. Unfortunately for Marg her apartment was, in Lindy's words, "locked up tighter than Fort Knox."

The above hardy group of cyclists have just returned from Jasper, pedalling the entire 250 mile distance in five days. They left Jasper Monday morning and arrived in St. Albert Friday evening around 6 p.m. (left to right) Yvonne Byle, Daryl Martindale, Brother Andy Boyer, Colette Joly, Bob Joly, Ann Reid, Mike Byle and Father Jake Joly. Besides finding overnight shelter in rectories at Hinton and Edson, the eight stalwarts slept under the stars during the remainder of the five-day cycling trip.

The world's major importer of United States soybeans is Japan.

# St. Albert couple wed in Sherbrooke, Quebec

Rev. Cedric Arnold and Father Paul Brault officiated at the marriage service uniting Nancy Joan, only daughter of Mr. and Mrs. Donald Cullen of Bromptonville, and Richard Wilson, son of Mr. and Mrs. Fred Wilson of Sherbrooke, Quebec. The ceremony took place July 22 in Plymouth-Trinity Church, Sherbrooke.

The bride, given in marriage by her father and her mother, looked lovely in a floor length gown of white peau de sole fashioned with a stand up collar, short puffed sleeves with ruffled ed-

ges of embossed lace caught with a tiny bow of white peau de sole, and a cathedral train falling from the empire waist. Tiny appliques of white flowers and braid trim interlaced with pink satin ribbon trimmed the collar, front bodice and skirt and edged the cathedral train.

Her full length, layered veil of tulle illusion was edged with embossed lace matching that of the sleeves of her gown and was held in place with a Juliet cap appliqued with tiny pink and white flowers and featured a pink satin bow at the back.

She carried a colonial bouquet, of pale pink and white sweetheart roses, two tone pink miniature carnations and purple statice, accented with baby's breath.

Attending the wedding were Mrs. David Hadlock, matron of honor, in a floor-length pink floral gown; Mrs. Gracelyn Wilson, bridesmaid and Patty Cornish, junior bridesmaid, attired identically as the matron of honor.

Mr. Herb Brennen of Calgary was best man and the guests were ushered by Mr. Ron Cullen of Victoria, brother of the bride, and Mr. Ross Wilson of Montreal, brother of the groom. David McGarry, a nephew of the groom as ring bearer.

The mother of the bride chose a floor length fortrel gown of deep lilac, with white picture hat and accessories and a white gardenia corsage. Mrs. Wilson wore a sleeveless floor length gown in pink printed voile, with pink picture hat and white accessories. She carried a corsage of pink carnations and baby's breath on her handbag.

Following a reception at Ripple Cove Inn, Ayer's Cliff, a wedding party and a bronze spar cap from a Roman galley has been found in Rhine River mud, showing that Rome maintained warships in Germany at least 1,700 years ago.

Latest figures released by the Canada Department of Agriculture indicate that Canadian farmers spent almost \$43.5 million on livestock pest control products, crop and seed treatments and herbicides during 1969.

dance was held at the Brompton Road Community Hall.

For a wedding trip to the Maritimes, the bride donned a dress and coat ensemble in deep lilac polyester crepe, with white picture hat and accessories

and a white cymbidium orchid corsage.

Dick and Nancy are making their home on Balmoral Drive in St. Albert, and Dick is a public relations officer with Calgary Power Ltd.

# ST. ALBERT PUBLIC SCHOOL DISTRICT No. 3

## Registration of Students

PUPILS IN GRADES 1 - 7 WILL REGISTER ON MONDAY, AUGUST 28 AS FOLLOWS:

|                          |  |           |
|--------------------------|--|-----------|
| <b>STURGEON HEIGHTS:</b> | Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin -- | 8:30 a.m. |
| <b>MISSION PARK:</b>     | Grades 1, 2, 3, 4, 5, 6, at Albert Lacombe --  | 8:50 a.m. |
|                          | Grade 7 at Vital Grandin --                    | 8:35 a.m. |
| <b>BRAESIDE:</b>         | Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin -- | 8:35 a.m. |
| <b>LACOMBE PARK:</b>     | Grades 1, 2, 3, 4, 5, 6 at Albert Lacombe --   | 8:50 a.m. |
|                          | Grade 7 at Vital Grandin --                    | 8:35 a.m. |
| <b>GRANDIN PARK:</b>     | Grades 1, 2, 3, 4, 5, 6 at Albert Lacombe --   | 8:50 a.m. |
|                          | Grade 7 at Vital Grandin --                    | 8:35 a.m. |
| <b>FOREST LAWN:</b>      | Grades 1, 2, 3, 4, 5, 6, 7 at Vital Grandin -- | 8:35 a.m. |

Buses will run on registration day at the times shown on the busing schedule.

The above registrations are tentative only and attendance zones are subject to change by the School Board if enrollments are extremely heavy.

### JUNIOR HIGH SCHOOL

Grade eight and nine students from all attendance areas will register at Father Jan Junior High School at 8:50 a.m. August 28, 1972.

Regular classes will commence on Wednesday, August 30th at the following times:

|                      |           |
|----------------------|-----------|
| Vital Grandin .....  | 8:35 a.m. |
| Albert Lacombe ..... | 8:50 a.m. |
| Father Jan .....     | 8:50 a.m. |

Parents are requested to accompany grade one pupils.

Children who will be six years old by February 28, 1973 will be accepted for the school term, 1972-73.

No classes will be held Tuesday, August 29 as this time will be devoted to organization.

The schools provide book rentals grades 1 - 12 inclusive and book lists showing costs are given to each student during registration.

## Fail Opening at St. Albert High School

### REGISTRATION

NEW Registrations as well as Registration CHANGES as indicated by the Guidance Department will take place at St. Albert High School according to the following schedule:

|                         |                                |                 |
|-------------------------|--------------------------------|-----------------|
| Thurs. Aug. 24th .....  | Grade 10 students .....        | 9 a.m. - 2 p.m. |
| Friday, Aug. 25th ..... | Grade 11 and 12 students ..... | 9 a.m. - 2 p.m. |

STUDENTS who have PRE-REGISTERED in the spring, are considered to be registered unless a change is indicated by mail.

B. Allotment of Text Books and lockers will take place for ALL STUDENTS according to the same schedule:

|                        |                                |                 |
|------------------------|--------------------------------|-----------------|
| Thurs. Aug. 24th ..... | Grade 10 students .....        | 9 a.m. - 2 p.m. |
| Friday Aug. 25th ..... | Grade 11 and 12 students ..... | 9 a.m. - 2 p.m. |

August 28th and 29th are set aside for teacher seminars, staff meetings and in-service work.

There will be NO registrations or distribution of texts on August 28th, 29th.

Classes will commence on Wednesday, August 30th for all grades at 9:00 A.M.

Late registrations and final distribution of texts will take place on Friday, Sept. 1st, from 9:00 a.m. - 3:00 p.m.

Students who wish to be assured of full course selection are advised to register early as quotas may be filled in certain specialized areas.

Students who register late will be marked absent on August 30, 31, Sept. 1, and will start classes on Tuesday, Sept. 5th at 9:00 a.m.

12 - ST. ALBERT & STURGEON GAZETTE, WEDNESDAY, AUG. 16, 1972.

The cost of Text Book Rentals which include: Student Union Fees, Program Fee, Lockers, Textbooks, Year Book and Cautions Fees is as follows:

### GRADES 10 - 11 - 12

|                            |         |
|----------------------------|---------|
| Text Books .....           | \$16.00 |
| Year Book (optional) ..... | \$ 4.00 |
| Students Union .....       | \$ 2.00 |
| Program Fee .....          | \$ 3.00 |
| Locker Rental .....        | \$ .50  |

NOTE - ALL CHEQUES ARE TO BE MADE PAYABLE TO: ST. ALBERT S.D. #3

CAUTION FEES All courses in Biology, Physics, Chemistry, Home Ec., Industrial Arts are subject to a 50¢ per course caution fee. This is partially refundable depending upon the amount of loss and breakage to equipment.

In addition, there is a cost attached to Home Ec., Industrial Arts and some Special Project courses depending upon the project which the individual student selects. e.g., One student might want to finish a rumpus room in his basement at home for Special Project credits, another might want to construct a picnic table in the Industrial Arts materials class.

The cost of materials is the responsibility of the student, consequently before allowing students to undertake any such projects, we expect parental approval.

V. J. MALONEY, SUPERINTENDENT OF SCHOOLS.

#### ATTENDANCE AREAS:

- Grandin Park**
  - Pupils in Grades 1 to 4 inclusive will attend Rundle School
  - Pupils in Grades 5 to 9 inclusive will attend Simpson School
- Sturgeon Heights, Highway #2, Lacombe Park, and Mission Park (eligible for busing)**
  - Pupils in Grades 1 to 6 inclusive will attend Nickerson School
  - Pupils in Grades 7 to 9 inclusive will attend Mackenzie School
- Braeside, and Mission Park (not eligible for busing)**
  - Pupils in Grades 1 to 5 inclusive will attend Mackenzie School
  - Pupils in Grade 6 will attend Nickerson School
  - Pupils in Grades 7 to 9 inclusive will attend Mackenzie School
- Forest Lawn**
  - Pupils in Grades 1 to 5 inclusive will attend either Mackenzie or Nickerson School depending upon which school is closer as well as availability of space in each grade.
  - Grade 6 pupils will attend Nickerson School
  - Grades 7 to 9 pupils will attend Mackenzie School
- High School Students**  
All high school students in this District, as well as those from the Sturgeon School Division, will attend Paul Kane School.

Notwithstanding the above attendance areas, if classroom space for any grade becomes filled in one school, it will be necessary to send additional pupils to any school that has space available.

#### REGISTRATION TIMES AND PROCEDURES

- (a) **ELEMENTARY AND JUNIOR HIGH STUDENTS** will register on Monday, August 28, according to the following schedule:
- |                                    |       |                    |
|------------------------------------|-------|--------------------|
| SURNAMES BEGINNING WITH THE LETTER | A - G | 9:30 - 10:00 a.m.  |
|                                    | H - N | 10:00 - 10:30 a.m. |
|                                    | O - Z | 10:30 - 11:00 a.m. |

- (b) **SENIOR HIGH STUDENTS** will register at Paul Kane High School as follows:
- AUGUST 29, 24, or 25: Advance Registration for students new to the District. Bring all previous high school records for evaluation. Students from outside Canada should have their credentials evaluated at the Registrar's Office, Department of Education (Phone 229-3525).

AUGUST 28 and 29: General Registration  
 (1) Grade X: August 28 (9:00 a.m. - 12:00 Noon)  
 (2) Grade XI: August 28 (1:30 p.m. - 3:30 p.m.)  
 (3) Grade XII: August 29 (9:00 a.m. - 12:00 Noon)

All students will confirm registration; pay Instructional Materials Rental Fee (\$16.00) and Student Union Fee (\$5.00); receive timetables and textbooks.

#### (c) GENERAL PROCEDURES

##### NEW STUDENTS

All students new to the District will register at the tables marked "New Students," and are requested to provide the following information (noted on a piece of paper, please):

- Full name - no nicknames, please
- Date of Birth
- Birthplace
- Church Affiliation (Protestant or Roman Catholic for taxation purposes)
- Name of father, his occupation, business phone, (for emergencies)
- Name of mother, her occupation, business phone, home phone (where applicable - name of guardian, occupation, phone)
- Name of family doctor, phone number
- Student's home address
- Number of older brothers, older sisters
- Names and birthdates of younger brothers, younger sisters
- Name and location of last school attended, grade last term
- Other languages spoken at home

##### NEW GRADE ONE STUDENTS (Those NOT pre-registered in June 1972 as beginners)

Grade one students must present their birth certificate at the time of registration as proof of age. Beginners must reach their sixth birthday by February 28, 1973.

##### FORMER STUDENTS:

Students who have attended schools in the District in the 1971-72 school year will proceed directly to the tables marked "old students". Here a previously prepared Registration Form will be available - students are asked to bring information regarding change in address, telephone number, etc. and additions to the family (with birthdates) since last year's registration.

##### INSTRUCTIONAL MATERIALS RENTAL PLAN

Textbooks and related instructional materials are available to students through an Instructional Materials Rental Plan. The rental fees charged per student are as follows:

|              |                   |         |
|--------------|-------------------|---------|
| Division 1   | (Grades 1 - 3):   | \$ 6.50 |
| Division 11  | (Grades 4 - 6):   | \$ 8.00 |
| Division 111 | (Grades 7 - 9):   | \$12.00 |
| Division IV  | (Grades 10 - 12): | \$16.00 |

Instructional materials will be issued on proof of payment of fees.

Students who have not paid for damaged books or who have not replaced lost books from the previous school term will NOT be permitted to use the Instructional Materials Rental Plan until settlement is made. POST DATED CHEQUES ARE NOT ACCEPTABLE. Cheques should be made payable to the school attended.

Parents who are not able to make payment of Rental Fees on Registration Day should see Mrs. J. Hill in the District Office before August 28, 1972; if satisfactory arrangements can be made a Voucher will then be issued which must be presented to the school at the time of registration.

**OTHER SCHOOL FEES:** Each school will provide students and parents with information concerning other school fees and expenses.

##### BUSING:

Buses will commence their schedules on August 30 and a Bus Schedule and pass will be distributed (on Registration Day at the schools) to eligible students who applied in June.

Applications for transportation of other students living 1-1/2 miles or further from the school which they attend will be available at the schools. Bus passes will be issued later in the week to these students.

Parents of District pupils requiring special transportation facilities because of medical reasons are requested to contact the Secretary-Treasurer to make arrangements.

Regular classes will begin in the morning of Wednesday, August 30.

## Hutchings of Gibbons named Dairy Official

The Alberta department of agriculture has a new dairy commissioner. He is Fred R. Hutchings, a native of Gibbons, Alberta who graduated from the University of British Columbia with his B.Sc. degree in dairy science in 1948. Prior to attending university he attended the Vermilion School of Agriculture.

Since joining the department in 1969 as regional dairy specialist for the Peace River region, he was appointed dairy specialist for the Edmonton region in 1971.

In announcing this appointment, W. H. T. Mead, director of the department's animal husbandry division explains that Mr. Hutchings replaces R. P. Dixon, recently appointed as head of the product development section of the marketing division.

The new dairy commissioner has a broad background of experience in the dairy industry both in Canada and the United States. Following 10 years of work experience in the area of dairy product production in Chilliwack, Mr. Hutchings worked in California for six years, again in the area of product production. From 1964 to 1969, he was employed as production manager for the united Dairy-men of Arizona at Tempe, Arizona.

In 1969, Hutchings returned to Alberta as regional dairy specialist in Fairview.

## Library Receives Many New Titles

The following titles are among those received at the St. Albert Public Library this week:

Ball, Johnny Get Your Gun; Jasper National Park; Blum, The Simulated Man; Indian and Eskimo Art of Canada; Ski for Everyone; Gallico, The Possessed Adventure; Cheerleading and Songleading; Wylie, The Spy Who Spoke Porpoise.

Remember . . . the Library is open every evening until 9 p.m., and Saturdays from 9 a.m. until 1 p.m.

Insects annually destroy more than enough timber to build 1,333,000 homes.

## Felix Comeaus mark 61st Wedding Anniversary

Mr. and Mrs. Felix Comeau, pioneers of the Villeneuve district, marked their 61st wedding anniversary on July 31st with a family dinner at the home of Mr. and Mrs. John Vachon, friends of long standing in St. Albert.

Mr. Comeau came to Alberta with his parents in 1894, from Clyde County Kansas, U.S.A. Two years earlier Mrs. Comeau, nee Mary L'Abbe had arrived with her family from Yamaska, Quebec. Both Mr. Comeau, who is 85 years old, and Mrs. Comeau, 81, enjoy good health and look younger than their years. Mr. Comeau doesn't require glasses.

They were married in St. Jean Baptiste Church in Morinville on July 31st, 1911 and went on to a homestead one mile east and 1-2 mile north of Villeneuve, where they made their home for 40 years, starting from scratch and working hard to develop their home and mixed farming operation.

The Comeaus raised one son and three daughters. Emile died in April this year, after a long illness, and their daughters Mrs. Anna Ross and Ida Comeau

are at home.

In 1951 they moved to a farm in St. Albert district, one mile north on the highway, two west and north again a mile, where they farmed another 10 years before retiring and moving to Edmonton in 1961. Due to the illness of their son, no celebration was held to mark their Diamond Wedding last year.

Mrs. Comeau looked lovely for the dinner at the Vachon home on Madonna Drive. Her long gown of medium blue was most beautifully complimented by matching crystal necklace, bracelet and earrings, a gift of her late son, and she wore white accessories with a corsage of pink roses. The couple received the gift of a purse from Mrs. Comeau's sisters and brother.

As a man made his way across the street to where his car was parked, he thought to himself that he had never seen so many crazy drivers.

Five minutes later, as he was driving along the same street, he thought he had never seen so many crazy pedestrians.

Mr. and Mrs. Felix Comeau, on the occasion of their 61st wedding anniversary.

# MD General Plan Headed For E.R.P.C Showdown

At the August 10 and 11 regular meeting of the Municipal District of Sturgeon, a committee was formed to discuss differences existing between the MD and the executive committee of the Planning Commission. The areas of contention regarding the MD's General Plan include two proposed industrial reserves and a satellite site.

Members of the MD Council named to the special committee include: Reeve Walter VanDeWalle, Councillors Lawrence Kluthe, William Flynn and secretary-treasurer Alphonse Nobert. The meeting is scheduled for Friday, August 18 at the Regional Planner's office.

The MD has registered concern over vehicles damaged by fire along Highway 2. The problem is related to the cost of extinguishing the burning vehicle then collecting the fee from the registered owner.

Secretary-Treasurer Alphonse Nobert explained, "We get a call to put out fires in vehicles along Highway 2, then can't find anyone to mail the bill to." Mr. Nobert said the MD of Sturgeon gets an average of six such calls each year and recently circulated a memo to all fire chiefs in the area to obtain license numbers or engine registrations before leaving the scene of the burnt out vehicle.

"That way," Mr. Nobert said, "we'll be sure of getting our money either from the owner, the insurance company or the unsatisfied judgement fund."

Council approved a debenture application of \$100,000 to improve 156 Street, 125, 128 and 137 avenues, all located west of Highway 2. Although no approval has been received yet, the MD of Sturgeon Council expects to be able to hot-mix these arterials this year.

The speed limits on certain roads within the MD of Sturgeon are being considered for an increase from the present 50 mile-per-hour to 60. The routes under consideration are the:

## Morinville sports feature baseball and racing events

There will be a lot of things going at the Morinville Sports Day on Sunday, August 27th. The trick will be to try and catch the whole action.

Baseball fans will be following the exciting playdowns to determine which team will capture the North Central Baseball League championship. First game in this series goes at 11:30 that morning, with final slated at 5 p.m.

At one o'clock the demolition races get underway, with 20 cars already entered. It's hard to say who gets the biggest kick out of

Correction Line between Highways 2 and 28, Secondary Road No. 635, also Secondary Road No. 642 West of Morinville to the MD boundary including that portion East of Morinville to Highway 28.

Council agreed to apply to the Secondary Road Committee for a change of designation of No. 794 from Villeneuve North to Westlock. The change would be named from the Correction Line Road SE5-55-26-W4 northerly about 11 miles, past the NAR tracks East of Alomdale then on in a north-westerly direction on the North side of the tracks to join the existing Secondary

Road No. 794 North of Alomdale.

A recommendation from the Sturgeon Valley Recreation Community for the development of a skating rink, ball diamond and club house was approved by the MD Council. The S.V.R.C. plan these recreational facilities on park reserve contained in the Viscount Subdivision.

Duties of the recreation director, Mr. Carl Royan were defined by the MD Council to include the responsibilities for all public play areas within the municipal jurisdiction.

In view of extensive hail damage in the MD of Sturgeon area, council has submitted an application to the Prairie Farm Assistance in Regina for inspection and assistance to local farmers. Hail damage was reported in areas including Legal, West of St. Albert, Villeneuve, Riviere-Qu-Barre and Bon Accord. According to the Prairie Farm Assistance Act, farmers may receive financial assistance on the basis of a maximum of \$2 per acre for 400 acres.

Council interviewed two members of the Sturgeon School Division Board, Chairman John McDonnell and trustee Harold Paul regarding the construction of a water line from CFB

Namoo to the Namoo School, a distance of about 14,500 feet.

The lowest tender submitted made the following quotations:

2 inch line \$17,640.00;  
3 inch line \$20,540.00;  
and a 4 inch line \$25,615.00,  
it was tentatively agreed that the 4-inch line would be more suitable because it would not only provide the

school adequately, but would permit connections along the way without affecting pressure and supply.

Mr. Ernie Jamison, M.L.A. agreed to meet with the MD of Sturgeon and the Sturgeon School Division Board regarding the proposed water line and provincial grants applicable to same. A note was set for the proposed meeting.

## Gibbons New s

The Senior Citizens had a very enjoyable day visiting Storyland Valley Zoo and the Lions Senior Citizens Recreation Centre in Edmonton last week. The last project for the summer is a barbecue and social evening on August 25 at the Community Hall. Supper at 7 p.m. A welcome to all senior citizens in this area.

British Columbia is a favorite holiday spot this year for many in the area. Mr. and Mrs. R. Pelletier and family have returned from a three week holiday to the U.S. and B.C. coast. Also back from two weeks in B.C. are Mr. and Mrs. Clem Lamoureux and family. Mr. and Mrs. Alf Mabbitt and family and Mr. and Mrs. Pat Sprague and family are enjoying very warm weather in B.C. Could use a little of that here.

Sincere sympathy extended to Mr. and Mrs. Joe Krupa and family on the death of Mr. Krupa's father.

Congratulations to Bud and Wilma Gibbons on the birth of Adrian, August 11, weight 7 lbs. 9 oz. a brother for Paul.

A miscellaneous shower was held at the Sunday School last week for Miss Marilyn Sharron who is to be married August 19th to Denis Moreau.

The Gibbons ladies fasted on their first game at Lamont tournament August,

### Card of Thanks

We wish to thank all those generous people, groups and firms who have helped with the costs involved in our daughter's trip to Eastern Canada to participate in the Canadian Age Class Finals.

Mr. and Mrs. G. Hoffart,  
 6 Mill Drive, St. Albert.

### The Easy Chair

by John Szott

An expert is a man who doesn't know all the answers - but is sure that if he's given enough money, he can find them.

A politician is someone who never met a tax he didn't hike.

Some people treat you like one of the family -- but most have better manners than that.

The younger generation is pretty confusing. Half of them sing the virtues of putting it all together, while the other half is busy taking it apart.

You'll always stay young if you live honestly, eat slowly, sleep sufficiently, work industriously -- and lie about your age.

TRUTH IS WE'RE EXPERTS ON FURNITURE REPAIR

## Scientists study hail in U.S.A. & Russia

American scientists are working to melt away the icy menace of "Hail Alley."

Every summer, hailstorms beat a path of destruction across the United States, and Hail Alley bears the brunt of the damage. The region stretches from southeastern Wyoming to western Kansas.

The storms concentrate at the point where Wyoming, Colorado, and Nebraska meet. Cheyenne, Wyoming, at the heart of the target area, reported more hailstorms over a 40-year period than any other weather station in the country.

Hail destroys \$200 to \$300 million worth of crops and property in the United States each year -- a greater toll than that taken by the more spectacular tornadoes.

Hail Alley is the logical home of the National Hall Research Experiment, a cooperative effort involving a number of U.S. government agencies and universities. It's now in the midst of the second summer of field work in the northeastern corner of Colorado.

Researchers hope in the next few summers to find out just what happens inside hailstorms and whether man can modify or prevent them.

**SEEDING COULD HELP**  
 "Experience in the Soviet Union already indicates that cloud seeding may be the answer," according to Dr. Walter Orr Roberts.

"The theory on which the Russians operate suggests that hailstones grow as they move slowly through freezing levels, buoyed by strong updrafts reaching as much as 65 miles an hour.

"When the weight of the ice finally exceeds the force of the updraft, the stone falls to earth. From two miles up, if it is no more than three-quarters of an inch in diameter, it may totally melt before it reaches the ground.

One of the more popular games of skill featured at the Penny Carnival was Colorama operated by Lucien Falcide of 44 Gresham Blvd., and Kathryn Pearson of 5 Cayford Place. The object of the game of chance was to fling the soccer ball into the air while the merry-go-round rotated wildly. Where the ball landed represented the winning color and the player collected.

"Guided by this theory, the Russians have set up batteries of anti-aircraft guns and rockets in the wheat fields of the Caucasus. When radar pinpoints the position where hail is beginning to form, salvos of explosive charges containing silver iodide are fired high into the storm clouds.

"The tiny silver iodide crystals serve as freezing nuclei; they scavenge out water vapor and turn it to sleet before it can become damaging hail. The Russians say they have reduced hail damage by 85 percent in some regions, and they now apologize if hail falls in the seeded areas."

The Arctic tusked whale, the narwhal, swims in broken ice fields usually above 65 degrees North latitude. The whales have been sighted only four times as far south as Britain and once off Holland.

Washington - Tornadoes occur more often in the United States than anywhere else in the world, National Geographic says.

## ANNOUNCEMENT

### ENGAGEMENT

Mr. and Mrs. Chris Roehrs of 11 Greenwich Cres., St. Albert are pleased to announce the engagement of their daughter Joyce Dyck, to Mr. Caelyne Townsend of 93 Salsbury Ave. Their wedding will take place September 2, 1972 in St. Barnabas Church, Edmonton.

### ENGAGEMENT

Rev. and Mrs. R. O. Olson take pleasure in announcing the forthcoming marriage of their daughter, Carol Esther to Mr. Alan M. Henry, son of Mr. and Mrs. Max Henry of Camrose Alberta. The wedding will take place at St. Albert Evangelical Lutheran Church, September 2, 1972 at 2 p.m.

## Thank-You

A thank you note to neighbors, relatives and friends for the kindness, the sympathy and assistance received at the time of the loss of our Grandpa Krupa. And a very special thanks to Father Petryshyn and Hlankowich and to the doctors of St. Albert Medical Clinic, and of course to the wonderful staff on the 3rd floor of the Sturgeon General Hospital for the loving care given Grandpa. We are deeply grateful for all the help and concern shown us.

Josie and John Kozak, Olga and Mike Ouyshelnik, Mike, Steve, Joe, John and Dave Krupa and families.

# MORINVILLE MEMOS

By Rose Martel

Congratulations to Ricky Devolder and his bride the former Tiffany Johnson, who were married in a private ceremony last week.

The program for the August 27 Morinville Sports Day opens with NCA Senior Baseball at 11:30 a.m. at the Sports Grounds. Demolition races go at 1 p.m. See the dual between the Morinville champion driver and the Legal Motors entry, followed by chariot and chuckwagon races, with ball finals and barbecued steaks at 5 p.m.

Two Morinville school staff members made real good use of their summer holidays with a reported 4,700 mile motor trip to the west coast, down through California, to New Mexico, then back home through Las Vegas and the interior route. Both Paulette McDonald and Claudette Turgeon, reported a thrilling trip.

Mr. and Mrs. Paul Froment and family also enjoyed a motor trip to Eastern Canada.

Morinville was happy to welcome back last Sunday, a native son from Rome. Rev. Father Valerien Gaudet, OMI 67 years, was a visitor last weekend, visiting two cousins, Romeo

## NAMAO

by Norma Crozier

Get well wishes of the district go to Harold Clark Sr. who is a patient in the Royal Alexandra Hospital.

The August meeting of Namao UCW was held at the city home of Mrs. R. Scragg. A church clean-up is planned for Thursday, August 31st at 9 a.m. The Namao Annual Flower Show will be held in the Community Hall on Saturday, August 26th. Tea will be served from 2 - 4 p.m. The Home Baking sale will start at 2:30 p.m. in all flower entries to be in ready for judging by 12 noon.

Mr. and Mrs. Dick Hansen have returned from a month long holiday visiting relatives in Denmark. They found the weather so hot and humid they were glad to get back to cool Alberta.

Froment and family, and Peter Gibeau. Everyone enjoyed his address to the congregations on Sunday morning.

Mr. and Mrs. Maurice Riopel and family have taken up residence in their spacious new home in Morinville.

Mr. and Mrs. Fernand Verrel of Swift Current, Sask., were guests at the home of Mr. and Mrs. Alphonse Trotter last weekend. Mr. Verrel was assistant postmaster in Morinville in 1939, when Mr. Trotter was postmaster.

On Wednesday, August 9 36 Morinville Senior Citizens enjoyed a bus tour of St. Albert, including the Mission on the Hill, the new Grandin Mall, and the Grandin Village section. They went on to Storyland Valley Zoo visiting the many attractions there at a leisurely pace, and having a box lunch elicits in the shade of the patios. Early in the afternoon the group were welcomed to the Edmonton Lion Recreation Centre, by the maitron, who conducted a tour of the lovely premises. Each was left to enjoy the many recreation facilities on his own till 4:30 p.m. Many joined the card playing, and Mrs. Kenny DeTennancourt won second prize for the ladies. Others visited the library and the tea room, and some acquainted themselves with lots of new ideas for leisure hours. The assistant supervisor of recreation activities, Mr. R. Moore, on to hand to say "Aurevoir" to the Morinville group and everyone was back home in good time for supper. On August 23 the group will visit the Mint at Fort Saskatchewan, leaving at 10:30 a.m. with Mr. Ulyse Fortier as driver, and STEP directors in charge.

Morinville is happy to welcome back Mr. and Mrs. Claude Riopel and their three children, who will establish their home on the Leon Riopel land.

A public vote of thanks is extended to Terry and Del Curtis, who will be leaving on August 30 to reside in Whitecourt, with their

family. Both Terry and Del did more than their share for the cubs, scouts, guides and brownies of Morinville over the past five years in Morinville. Mrs. Mary Kootenee and family will be the new occupants of the Curtis residence.

Among recently reported patients in hospital were: Edward Schayes, Don Bouvier and Mrs. S. Kool. Mrs. Alice McDonald is recovering nicely after surgery.

Marcel Labonte and his wife, Henriette, wish to thank all the residents who helped in any way during their recent fire at their new store. The premises are open for business, while repairs are being done to the damaged part.

Paul and Rose Brochu are enjoying their annual holidays, with family at the lake accompanied by Miss Margaret Sheehan.

Recently Mrs. Laura Cox, 79, an artist, was a guest at the homes of Matt Hiltner and Clarence Steffen. A resident of Decoma, Washington, Mrs. Cox did a beautiful charcoal sketch of the Alberta Hotel, and will do a watercolor of it at the request of Mr. Alve Bokenfohr, one of the sons of a pioneer family of Morinville and one of the trio who will build the new Frontman Inn, on the site.

Mr. Hector Gibeau recently returned from a motor trip to Yakima, Washington

Mrs. Lorraine Ferguson flew to Whitehorse for her holidays with her grandchildren and Mr. and Mrs. L. Kiese.

It has been ball, bertha

## Funeral services held for Robert Stieger

By Liz McLeod

Another one of Calahoo's belove, pioneers has been laid to rest at the age of 88. Mr. Robert Stieger of RR1 Calahoo was born April 13, 1884 in Beresowka in the Ukraine and came to Canada in 1937 settling in Calahoo district. He farmed and in later years enjoyed bee keeping. Many will remember the good honey he shared with his neighbors. This active gentleman of 88 years one time received the prize for producing the cleanest honey which he used to sell to the Co-op and indeed his neighbors all used to leave their containers for him to fill with honey whether it be dandelion, clover, alfalfa or the like. Mr. Stieger remained active and in May when he stayed with his grand-daughter and family, Jim and Elisabeth Verbeek at Evansburg, grampa helped his great grandchildren Errol, Dale, Harvey and

Wayne by making a rabbit hutch.

Mr. Stieger was predeceased by his wife 26 years ago and leaves to mourn his loss, one son, Harry Stieger of Clyde and one daughter, Antonia, Mrs. Werner Christen, with whom he shared his home; four grandchildren; Elisabeth, Mrs. Jim Berbeek; Rudy and Harold Christen and Walter Christen of Vancouver, B.C. and four great grandchildren Errol, Dale, Harvey and Wayne Verbeek at Evansburg.

A very fitting service was held August 8 at 3:30 p.m. in a new capacity filled St. Mathew's Lutheran Church, Spruce Grove that was bedecked with floral arrangements. Service was conducted by Reverend Dr. J. Zimmerman speaking English, and a life long friend The Reverend E. Duesterhoest speaking in the German language.

The pallbearers were Messrs. Ferdinand Lischewski, Herbert Bergstreiser, Jim Verbeek, Lloyd Bergstreiser, Roy Schermund and Henry Bergstreiser with interment in the church cemetery.

Lunch was served in the church basement after the service.

## Calahoo Sports

By Liz McLeod

Calahoo is still a beehive of activity and the family can gather at the sports grounds and witness good ball games or practices.

On August 6th coach Serge Grloux had the ladies iron out the kinks after a week's lull due to rain. That evening the Hawks coached by Clifford Fowler and the Cubs coached by Serge Grloux met in a colorful game where fans had to cheer for a good play since they were all Calahoo's amateurs. Cubs won.

When the boys sweaters came back from the factory there was a mistake in color and name, so the A team are now the Cubs in red sweaters and the B team became the Hawks in blue sweaters.

Child's bedtime complaint: "What did you bring that book I didn't want to be read to out of you for?"

By Lucienne Montpetit

Mrs. Bruno Chamberland, Mrs. Leo Charrois, Mr. Albert Poultrel travelled to Port Alberni, B.C., with their brother Mr. E. Poultrel to attend the funeral of their 20 year old nephew, Gerald Ruel. While they were in B.C. they also visited other relatives in Vancouver.

Mr. and Mrs. Remi Cyr are happy to announce the arrival of their son Eric, born on August 1st weighing 7 lbs. 5 oz.

The Mothers Local for brownies and guides wish to thank Mr. Denis Ringette (Legal Transport) who brought four and one half tons of newspapers to be sold in Edmonton last week. A special thanks to all those who helped to load up the truck. There is still one more load to go and we hope to send it out very soon. Thank you to those who donated camping equipment for the girl guides.

Miss Debra St. Jean was feted at a miscellaneous shower held at the home of Mrs. Shirley Derrien last week. Debra will become the bride of Kenneth Hunting on August 19.

Congratulations and best wishes are extended to Susan Normand who exchanged marriage vows with Rocky Workin in Redwater on August 11th. Susan is the daughter

## LEGAL LOCALS

ter of Mrs. Helene Normand from Legal and Rocky is the son of Mr. and Mrs. Alexander Workin from Redwater. The happy couple will make their home in Redwater.

The Travelling Arts and Crafts Workshop will be held in Legal on August 21, 22, 23 and 24 at the Recreation Centre. The workshop includes a variety of crafts including candlemaking, children's crafts, weaving, macrame, clay modelling and firing. The instructors include Mrs. Carol Brown and Miss Ann Arlow. These are crafts for all ages both male and female, the price is right (free) but bring your lunch.

Mr. and Mrs. Armand Lachance and daughters from Ontario were visiting the Lorenzo St. Jean family last week. Mrs. Lachance is Mrs. St. Jean's sister.

I'm sorry that the results from the gymkhana and the horseshoe tournament at the Feto au Village weren't printed before, due to the fact that they were turned in to me this week only. Mr. John Pedegachy from Waugh won the trophy for the horseshoe tournament with Nick Borynie from Edmonton. The gymkhana winners in the various events are as

follows:

MEN - pole bending, Les Peterson; stake race - Jules Lamoureux; flag picking - Lyle Leasing; barrel race - Jules Lamoureux; novelty rescue race - Rene Shank.

WOMEN - pole bending, Cheryl Leasing; stake race, Cheryl Leasing; flag picking - Lee Matheson; barrel race - Lori Peckeson; novelty rescue race - Martha St. Martin.

Farmers in attendance at the Dairy Conference of the 53rd annual convention of the American Farm Bureau Federation (AFBF) in Chicago this month were told that butterfat combined with vegetable fat in a low-cost spread has competed favorably with margarine in sales to consumers.

Dr. Truman Graf, professor of dairy marketing at the University of Wisconsin, told the group that a product labelled "butterine," developed six years ago, contains half butterfat and half vegetable fat. Legalized by the Wisconsin Legislature, butterine sales have competed favorably with low quality butter, but were not competitive with high quality Wisconsin butter.

# A Picture Story of a Morinville Landmark

8:15 A.M. Thursday, August 10, 1972. The Alberta Hotel, historic landmark on south main street west in Morinville, stood untouched against the skyline as it had since 1905.

9:00 A.M. A gaping hole was evident at the back of the building as a large bulldozer breaks down partitions in the section which housed the beer parlor. Watching the demolition proceed were two old-timers, John Gauthier 86, at left, and Joseph Meunier, 89, both of whom saw the same building going up 67 years ago.

11:00 A.M. The bulldozer relentlessly continues its work of destruction on what remains of the front part of the large frame and stucco structure, which was totally levelled in five hours by one dozer operator and a supervisor. So ends the long and colourful history of the Alberta Hotel, built by the late Narcisse Lavallee and opening under Nate Campbell as first manager, and the late Bill Hargrett as original bar man.

## BON ACCORD ACTIVITIES

By Sadie Allen

A shower honoring Mrs. Rick George (nee Terri Repka) was held in the United Church basement on Wednesday, August 9. The young couple are presently at home in North Battleford, Saskatchewan.

The senior baseball team came home with top money from a tournament at Rochester on August 12 and 13. The boys beat out Boyle on Saturday while Sunday wins were over Legal and in the final, Namo.

University of Alberta Extension art classes will be

held in Bon Accord again this fall starting Thursday, Sept. 16. This season the course will be Drawing 1 and the instructor will be Mr. Allan Belsheim of Edmonton. Anyone who has been contemplating Art as a hobby should consider joining the club this season, as Drawing 1 is the ideal course for beginners. Prospective members are asked to attend an organization meeting at the school on Thursday, August 31 at 8 p.m., when the following will be discussed: number of classes required; classes weekly or bi-weekly; fees supplies. Please register by

signing your name on the form at Village Superette. NOTE: Class will be limited to 25.

A large turnout of young people enjoyed four days of arts and crafts at the community centre on August 8, 9, 10 and 11. Pottery, candlemaking, potato printing, tie-dyeing of t-shirts and pillow cases and macrame were offered to the enthusiastic youngsters.

The 4H Light Horse Club achievement day which was postponed due to inclement weather on August 12 will go again on Friday, August 13 beginning at 10 a.m. The booth will be open.

Tentatively Bon Accord play school will commence October 3, 1972 and will be held every Tuesday and Friday mornings from 9:30 to 11:30 in the community centre. Enrollment date will be announced later. Playschool instructors course is available for anyone interested. It will be held in Edmonton from September 5 to 15, 9 to 3:30 and costs \$15. For further information contact Pat Reichle 298-2293 or Joanne Hulsing at 298-2246.

Baseball and softball wind up will be held in the community centre on Sunday, August 27. Supper will be pot-luck. Everyone is invited to attend regardless of whether you are a fan, a player or just someone who likes to meet with your neighbors. Charge is one dollar per family and a pot of your favorite food.

Plans are underway for a hang-up weekend on October 27 and 28 when the Bon Accord Community Centre will celebrate its 25th anniversary. The evening of the

## Rural Recreation

By Carl Royan

### SWIMMING:

Over the past month the Sturgeon Recreation Board has sponsored swimming in the Namo and Riviere Qui Barre areas in a pilot project capacity. The swimmers in each area were bused to Eastglen Pool in Edmonton each morning, six days a week for two weeks. There were 62 swimmers from Namo and 124 swimmers from Riviere Qui Barre.

I have been informed by the pool management that the swimmers as a group did very well. It speaks highly for a swimming program when 90 per cent of the persons taking part have not been able to take swimming lessons in past years. It has been a very successful program this year so I am sure it will be expanded to take in more localities next summer.

### ARTS AND CRAFTS WORKSHOPS:

I have been hearing many favorable comments on the Arts and Crafts Workshops. In most areas the attendance has been very good and

27th will feature pageant type entertainment depicting events that took place as "Firsts" in the centre. If by chance you were involved in one of these or know of one, e.g., the first wedding reception held, please contact Linda Bland 298-2185. Put a big ring around those "dies" folks. We're hoping for a real celebration.

everyone has enjoyed themselves immensely. The fall and winter program will be out soon so there is enough interest in any of the crafts presented in the workshop or any craft at all contact me to have it added to the program in your area. ART CLASSES IN NAMAO There has been interest shown in art classes in the

Namo area. If there is enough interest an instructor will come out from the U of A, Department of Extension to conduct the classes. The sessions would probably start in October, with 10 sessions finished by Christmas. Anyone interested could contact either myself or Mrs. Alma Paul 799-5670.

## Morinville Schools will open Aug. 28th

The Thibault District schools will open at 9 a.m. Monday, August 28th for staff only. Students are asked to report for registration at 1 p.m. on the 28th as follows:

Grades 6 - 12: Georges P. Vanier School  
Grades 1 - 5 French: Yellow School  
Grades 1 - 5 English: Notre Dame School

The students will be dismissed once they register and receive pertinent information. On Tuesday, August 29th, the buses will operate normally, and school starts at 8:55 a.m. for everyone.

The Senior High School will continue to operate on the modified semester system inaugurated last year. There are about 50 beginners expected for the Thibault schools this fall. Because of enrolment statistics, some changes in the Grade 1 program can be expected.

The Administration Council

One of the objectives of the Georges P. Vanier School this year is involvement. It is hoped that some people in the district will volunteer their services to help at school. Some suggestions: library assistance and supervision, assistance in coaching teams, lunch hour supervision, clerical work for staff, etc. Call Paul Chalfoux at 256-3285 for more details and volunteer so a program can be set up.

Paul A. Chalfoux, Principal.

## VIMY

By Jeanne Laplante

Mr. Bill Burns from Prince George, B.C., was feted at the home of his parents, Mr. and Mrs. Jack Burns on the occasion of his birthday. Local family and friends in attendance had a most enjoyable evening.

Speedy recovery wishes extended to Mr. Jean-Marie Gervais who is presently hospitalized.

Mr. and Mrs. R. Pepin from Vancouver spent several days in the area visiting friends.

Holidaying in various summer resorts are Mr. and Mrs. Paul St. Arnaud and family, Mr. and Mrs. Robert Huot, Mr. and Mrs. Mike Hein, Mr. and Mrs. U. Landry, Mr. and Mrs. Claude

## NEWS

Huot, Mr. and Mrs. Wilfrid Provencal, Mr. and Mrs. Paul-Emile Huot and Mr. and Mrs. Leo Provencal.

Winners of the Sports Association Raffle were as follows: 1st prize - Miss Susan Bokenfohr, 2nd - Miss Debbie Huot, 3rd - Mr. Gabriel Caouette. Thanks for the support by all those who purchased tickets.

Recent visitors at the home of Mr. and Mrs. Roger Laplante were Mr. and Mrs. Ray Baert and family from Hay River, N.W.T.

Congratulations to Leo Seguin and Miss Bonnie Oko who were recently engaged.

Mr. and Mrs. Henry Bernard and Mr. and Mrs. Rene Joly have returned from a six week holiday in the U.S.

We were pleased to hear that Yvon Blodreau has signed a two year contract with the Philadelphia Flyers and will be reporting to training camp in early September. Best of luck.

# 4H honours exchange delegates

By Isabel Morgan

On July 4 a "Welcome to Alberta" Steak Barbecue was held at the Namsa Hall honouring the nine delegates of the Tenth Annual Interprovincial 4H Exchange. The barbecue has been sponsored by Mr. Collin of the Flying J and Wheel Ranch of Wintburn for the past 10 years. The affair was organized by the North West Regional 4H Council. Mr. Ferbey and Mr. Rigney were the chefs and everyone enjoyed the delicious barbecued steaks.

After supper the official program began with Mr. John Onyesty, President of the North West Regional 4H Council, welcoming everyone and beginning the introductions of people who helped to make the evening such a success: Mr. and Mrs. Taras Ferbey, Mr. and Mrs. Ray Rigney, Mrs. Paul and

Mrs. Bowman, Mr. Mickey Collin and his two daughters Shelly and Debbie, Mr. and Mrs. Burgess, manager of the main branch of the Royal Bank of Canada in Edmonton. The Royal Bank of Canada sponsors all the interprovincial 4H exchange trips.

Next Mr. Onyesty introduced the guests of honor - the delegates of the Interprovincial 4H Exchange. They were: Miss Debbie Sommerfeld of Lister, B.C. Miss Debbie Wilson of Morse, Sask., Mr. Greg Nickson of Brandon, Man., Miss Patsy Segun of Oxford Mills, Ont., Mr. Rejean Tremblay of St. Nazaire, Lac Ste. Jean, Quebec, Miss Karen MacDonald of Inverness N.S., Mr. Robert Walker of Sussex, N.B., Miss Isabel MacAulay of Souris, P.E.I., Miss Doris Sutton of Trinity Bay, Newfoundland.

land. As the 4H members were introduced their host families were also introduced.

The 4H Advisory Council was then presented: Mr. Arthur Smith of Enlida and Mr. Ken Edgerton of Beaverlodge, Mr. Don Hulthelm of Holden, Mr. Allan Shenfield of Spruce Grove, Mrs. Dorothy Rigney of Bon Accord, Mr. Wilf Longson of High River. Mr. Onyesty also introduced members of the Department of Culture, Youth and Recreation who were present.

He went on to introduce the executive of the North West Regional 4H Council: Mr. and Mrs. Bob Barnes of Pickardville and Mr. and Mrs. Morgan of Rochester, Mr. and Mrs. Andre Borle of St. Albert and Mr. and Mrs. David Hughes of Looma and himself Mr. John Onyesty of Wildwood. Not only

was the North West Region well represented but so was the West Regional Council.

Then Mr. Onyesty presented 4H guests visiting our province. Mrs. June Meier of Cascade County of Great Falls Montana was visiting the Athabasca Council along with 30 4H members Gary Radford of a 4H Club in Manitoba is now at Stony Plain.

After all the introductions, Mr. Vic Post of the Dept. of C.Y. and R. took photos of the whole proceedings. Then to the delight of all, the evening was kept young by all joining in an old time Virginia Reel and square dance.

Host: "Highball or Martini?"

Gal: "Just ale if you don't mind."

Host: "Pale?"

Gal: "No, just a glass".

# Ida Mary Majeau dies at 67 years

By Liz McLeod

A well loved pioneer of the Villeneuve district, Ida Majeau, passed away in Sturgeon General Hospital, after a short illness at the age of 67 years. Prayers were said July 28 at St. Albert Roman Catholic Church, attended by a large number of relatives, neighbors and friends. Funeral services were conducted Saturday, July 29 by the Reverend Fathers Collin Levanque and Jacques Joy and interment followed in Holy Cross cemetery.

Ida Mary Majeau was born in Villeneuve district on May 5th, 1905, and leaves to mourn her loving husband,

Theobald; one daughter, Mrs. Eric (Anna) Bokenfohr of St. Albert; two sons: Oscar on the home farm at Riviere Qui Barre and Leo of Grand Falls, New Brunswick, six grandchildren; three brothers, Luke and Paul of Villeneuve and Robert of Red Deer, and one sister, Mrs. Bertha Berube of Calahoo. Leo had fortunately been home for a visit before his mother's passing.

Pallbearers were six nephews: Hector Berube, Paul Majeau, Edmo Berube, Gary Majeau, Roger Berube and Brian Majeau.

## BUSBY HOTEL

Featuring GOOD COUNTRY MUSIC

Country Gold

FRIDAY & SATURDAY -- AUGUST 18 - 19

## Card of Thanks

We wish to express our sincere thanks to all our relatives, friends and neighbors for their sympathy and kindness shown during our recent bereavement in the loss of our dear father and grandfather Mr. Robert Steiger. For the many floral tributes, cards and donations. Special thanks to the Pallbearers, the doctors and nurses in the Misericordia Hospital, Pastors Zimmerman and Deusterhoest and to the ladies for making and serving lunch.

THE FAMILY.

# Calahoo and District News Report

By Liz McLeod

Brian Broomhall of Grand Forks, North Dakota is resolved that western hospitality is second to none since visiting the Grant Moellmann's of Calahoo for one week which happened to be during K-days.

It was all new and thoroughly enjoyable to watch Grant in the raft race, to witness the promenade, take part in a viener roast at Ed and Jeanette Patrick's and enjoy a lawn party at Hector Berube's.

Brian was introduced to many at the ball practice one evening and found everyone so friendly and thought this family fun was really healthy.

Mrs. G. (Angie) Moellmann was a very busy gal during K-days, first spending two days in Calgary welcoming tourists and then

working all during K-days for the Chamber of Commerce and was Kiondike Dollar girl for one day.

Joe and Laura Collins who formerly lived in Calahoo, now residing in St. Albert, were welcome visitors at John and Dena Gropp's.

Alex Vars, always a welcome guest at Pete and Liz McLeod's brought his lovely wife Kathleen out for a pleasant visit.

Dave and Minnie Carroll's daughter Betty invited Norma Dunstall to stay the night after a visit to Eve Blouin's cottage at Pine Sands beach. Eve took Liz for a walk along the beach and introduced her to David and Loretta Puckrin and further along to Mrs. G. Mary Guldrie who had organized a birthday party for her eight year old son Vincent.

Together the eight children and their parents gathered at Blouin's water front for a swim and party fun and later to return home for festivities.

Flete Anderson, Sharon and Errin enjoyed a busy weekend at Calahoo visiting relatives and friends and attending Rhonda Quintal's wedding on August 5th.

Mrs. J. Stephanie Shenfield, Allister and Timmy spent a happy relaxed three weeks in Vancouver visiting with daughter Elaine.

Walter Christen came home for a short visit prior to his grandpa's funeral from Vancouver, B.C. He is presently employed at Kittimat, B.C.

What a thrill to have your children and grandchildren

sing happy birthday to you and help you blow out the candles. This was so for Mrs. Elsa Lischewski when her Gertrude and Gordon Bergtreiser, Leah and Trevor, Johanna and John Borle, Sandra and Janine spent the day at home to be joined in the evening by neighbors Pete and Liz.

Mrs. Vicki Strong, Mrs. Ruth Delaney and Debbie came out to visit with Ruth's sister, Emelia Schermund so that Debbie could spend one week of her vacation on the farm. By a pleasant coincidence John and Addi Thatcher happened by and Vicki Strong was so pleased to see them since sometime back the Strong's were Thatcher's tenants. It's a small world after all.

Morris and Gretchen Storer from Gainesville, Florida, enjoyed a most pleasant visit at their son Kippy and Kristine Storer's farm and to see their granddaughter Dani and new grandson Michael. Kristine

expects her parents William and Margaret Anacker from Maryland Line, Maryland, soon.

It sure is nice to see Debbie Cartly well again after her stay in Westlock Hospital.

Mr. Frank Gawnson is looking well after his week's stay in Stony Plain Hospital. Take care of yourself sir.

Miss Pamela Moellmann is a patient in the Misericordia Hospital and we're all pulling for you Pam. Come back soon.

Audrey Granger's school bus can be seen picking boys and girls up in the Calahoo area, taking them to swimming classes at Eastglen swimming pool in the city. Also there's a hockey school at Wintburn and several boys from Calahoo are attending.

Generation II

Arriving Saturday August 19

It's the biggest tractor announcement day in more than ten years. It's August 19 - the day you can enter Generation II and meet four new tractors from John Deere ranging from 80 to 150 hp. It's the day you can start farming more safely - in greater comfort and luxury. It's an all-day affair you simply can't afford to miss. Refreshments will be served and door prizes awarded.

## Food Buymanship helps control costs

By Pat Frymak,  
District Home Economist

### BUYMANSHIP IN FOOD

Families in Canada today spend one-fifth of their income on food. In order to get the most food for our money we should practice good food buymanship habits. The following tips may help you get the most satisfaction from that one-fifth of your income.

1) Buy by cost per serving for meats.  
Rather than look at the cost per pound of meats figure out how much each serving of that meat will cost you.

Here are some guidelines:  
You get: 1-2 servings per pound from meat which is mostly fat and bone, i.e. short ribs

2-3 servings per pound if meat has some fat and bone, i.e. chuck roast  
3-4 servings per pound if meat is mostly lean, i.e. hamburger, liver.

So if a special appears on a roast use these guidelines to determine if it really is the least cost per serving of meat.

2) Buy by grade.

Have you ever compared the prices of various grades of canned peaches? There are generally three grades: Choice, Fancy, Standard. Choice and Standard are the

least expensive BUT you are still getting the same food value as is in the fancy grade. Unless the appearance of the product is important, you are spending more on the fancy grade than you need to.

3) Buy by the most economical quantity.

If you have the storage facilities, buy foods in large quantities i.e. 10 lb. sugar instead of 5 lbs. You actually save yourself some expense in the long run.

4) Buy by comparing store brands to national brands. The national brand of products are generally more expensive due to their universal distribution and transportation cost. The store brands are still equal in quality.

5) Buy by comparing types of packaging. In a lot of cases the container in which a product is sold determines the price of that product. An example is buying corn syrup by the pound as compared to corn syrup sold in the squeeze bottle. You pay extra to be able to squeeze the bottle.

6) Buy by food value.

If fruit drinks and fruit juices cost the same, you are much wiser purchasing the juices because of their higher Vitamin C content. You should be aware of these terms differentiations. Others

are soap and detergent, extract and flavoring, pork AND beans, and beans WITH pork. Some other things to remember:

1. Shopping lists help. By planning menus for the week you will know what to shop for.

2. Emergency shelf supplies can be lifesavers when unexpected guests arrive for supper.

3. Try to plan your shopping around specials in the paper before you go to the store.

4. Don't shop on an empty stomach.

5. Taking the kids or your husband grocery shopping can only result in impulse buys.

6. Have the cashier subtotal your bill before putting your food items through (such things as paper products, cleaning supplies etc)

In that way you get the real cost of your food purchases. It is wise to remember the Swedish proverb: "He who buys what he does not need, steals from himself."

## Fighting pollution on the home front

By Donna Mead, Assistant District Home Economist.

**FIGHTING POLLUTION ON THE HOME FRONT**  
Summertime seems to be the season in which more disposable items are used than in any other. Picnics for example, usually mean stocking up on convenient throw-away paper plates, cups and plastic utensils. Many young families on holidays go equipped with disposable

WALLY KLATT ..... District Agriculturist & Member

MUNICIPAL OFFICE — PHONE 424-6276

DEPARTMENT OF AGRICULTURE — PR 256-3351

possible diapers. These are just a few examples of the many throw-away articles on the market today.

Many people are becoming aware of the growing problem of pollution and are wanting to do something towards fighting it. You can help in the home simply by creating less garbage. We have become so accustomed to using convenient, throw-away articles that we forget how much MORE garbage they create than before.

Are all of the paper napkins, towels, bags, disposable diapers, and so on, really necessary? We know that they cost more because of the work they save, but are they really WORTH the extra money? We are paying over and over again for things when we could buy them for less with the intention that they will last.

For example, wraps and baggies can be substituted with hard plastic containers which may be used again and again. There are enough foods on the market packed in snap-lid containers that there is little need for saran, wax paper or tin foil as wraps for left-overs or for foods in lunches. Better yet, buy your own freezer containers and avoid buying products such as margarine in plastic tubs.

Using cloth napkins, towels and diapers would cut down on litter as well as on the grocery bill. It has been found that using a diaper service is less expensive than buying the disposable type. In some cases too, the flushable type of diaper clogs sewage systems and results in costly repairs.

Want to cut down on the

mountain of garbage even more? Even when picnicking, try to use china or melmac dishes and metal cutlery rather than paper plates and plastic utensils. If you already have the disposable type of plastic glasses, try to use these as many times as possible. These too, are more expensive in the long run.

Before school starts again buy each of your children a brightly colored lunch kit, perhaps with a popular character on the side, such as Snoopy. These are cute and would mean not having to throw away paper bags each day. They also enable the children to have a more nutritious lunch than can usually be packed in a bag.

Wherever possible, avoid buying products which will add unwanted garbage. Try to shop with the thought of reducing the amount of house hold pollution. A very large part of the grocery bill goes to things which aren't food items at all, but are disposable paper and plastics. Remember, we are also paying for the packaging material, so the simpler, the better.

Just for interest's sake, (and as a good everyday anti-polluting practice), see how many things you can use over again before throwing them away. You'll be surprised at the fewer times you must empty the garbage and at the money you can save.

It's time to ask ourselves if the added convenience is actually worth the price -- that is, the price of a polluted environment. We have less raw materials and more litter and pollution than ever before. But we CAN bring about a change, and we can START in the home.

## Alberta corn sweet & tender

—Issued by the District Home Economist

Buying corn-on-the-cob on your next grocery shopping trip?

Look for Southern Alberta's variety of hydro-

Albert.

A list of leafcutter bee suppliers and information on bee management and constructing hives and shelters can be obtained from Dr. G. Hobbs, Lethbridge Research Station, Lethbridge, Dr. P. Pankiw, Beaverlodge Research Station, Beaverlodge, and Dr. G. Awram, Alberta Department of Agriculture, Edmonton.

cooled corn; noted for its excellent quality and flavor. The main crop is expected to be at grocery stores throughout Alberta during the third and fourth weeks of August.

Make sure to buy corn that has been kept refrigerated or on ice in grocery stores, and check to see whether it was hydro-cooled. Use the corn as soon after you buy it. If, for some reason you have to keep it for a day or two, preserve its quality and flavor by leaving the cob in its husk, wrap in a damp cloth and put in the refrigerator crisper.

## Feed grain exchange service should stabilize marketing and help cut costs

Released by the District Agriculturist's office.

The first feed grain marketing information exchange in Western Canada began operations in Alberta on August 1st. This free service has been established by the Alberta Grains Commission and is operated by that organization.

According to John Chanon, chairman of the commission the marketing information exchange is basically designed to organize non-quota feed grain marketing in the province by providing a practical channel of communication between sellers and prospective buyers. At the present time, there are about 50,000 farmers growing feed wheat, barley and oats in

Alberta and between 150 and 200 commercial buyers who either use the feed themselves or supply the local market.

The grain commission is anxious to stabilize feed grain marketing and to divert feed grains into local market channels to meet the needs of the province's rapidly expanding livestock industry. The Alberta government's policy is to encourage this expansion because the returns from feed grains marketed through livestock can be considerably higher than those from feed grain sold on the export market.

In addition to paving the way for increased local outlets, the marketing information exchange will help cut the marketing costs of

feed grain producers. It has become increasingly evident that marketing practices under the present system are often very uneconomical. An example is the producer who hauls his grain a long distance, often with little, or no, profit when there may have been a buyer close at hand.

The headquarters of the new feed grain marketing information exchange is in Calgary. This co-ordinating center is linked to six stations, located at Fairview, Edmonton, Vermilion, Red Deer, Calgary and Lethbridge.

A farmer with feed grain to sell telephones his closest station and gives his name, telephone number, the type of quantity of grain he has for sale, its quality and the price he is asking. This information plus other details are recorded and passed on to possible buyers in the district. If there are no buyers in the district, the exchange will transfer the information to the nearest station that may have interested buyers. The same recording procedure is followed with all prospective buyers. Once the initial contact has been made between the two parties, it is up to them to make their own arrangements.

Re-issued from the District Agriculturist's office.

The other management technique which seems to be working very well involves the location of these shelters. Leafcutter bee shelters used to be put on posts above the ground to provide protection against predators. However, Dr. Pankiw has found that when they are placed near the ground they are protected against the wind. This absence of wind again encourages the bees to forage on days when they would normally remain inactive.

Use of this technique in Saskatchewan has resulted in the area where leafcutters can be profitably used to pollinate alfalfa crops being extended from near Saskatoon to north of Prince

## Council Restructures Working Committees

Council approved a nominating committee report at last Tuesday's regular meeting which includes mayor and councillor salaries, committee appointments and representations to the various boards.

It was recommended and approved that the mayor be paid a salary of \$6,400 with an expense allowance of \$3,200. Previously, the mayor was paid a salary of \$6,914.64, plus 75 meetings at \$24 per meeting plus 24 meetings as representative to the ERPC at \$28 per meeting. This was last year's figures and served as a basis to establish the mayor's salary from -- \$9,414.64 to the revised rounded figure of \$9,600.

Councillors likewise altered their salary structure. Instead of receiving a flat \$24 per meeting, they will now be paid on the basis of \$16 per meeting (for which T-4 slips will be issued

and \$8 for meeting expenses.

The following committees were also approved:

Legislative: Mayor Ray Gibbon chairman with councillors J. Bakker and F. Lukay as members. Administrative: Mayor Ray Gibbon and councillors J. de Bruijn and R. Kambouroff. Transportation: Councillors J. Bakker, F. Lukay and R. Thronsdon. Special Projects: Councillors J. de Bruijn, R. Kambouroff and R. Hudson. Ad-Hoc Committee for land acquisition, sewer right-of-way or easements: Mayor Ray Gibbon, councillors J. de Bruijn and R. Hudson.

Council Representation: Sturgeon Health Unit -- Councillor Kambouroff, alternate, F. Lukay. Edmonton Regional Planning Commission: Councillor Lukay, alternate: Bakker. EADA: Councillor R. Hudson, alternate: R. M. Gibbon; EAEMO: Councillor F. Lukay, alter-

nate: R. Thronsdon. Safety Committee (when it is formed): Councillor F. Lukay, alternate: R. Thronsdon. St. Albert Curling Club: Councillor R. Hudson, alternate: J. de Bruijn. Preventive Social Services: Councillor R. Thronsdon, alternate: R. Kambouroff. Board of Police

Commissioners: Councillor R. Hudson; Library Board: Councillor J. Bakker; Sturgeon River Basin Development: Councillors F. Lukay and R. Thronsdon.

Four generations of the Rosaire Hebert family in St. Albert were photographed following the christening of baby Colin at four months in St. Albert Roman Catholic Church. At left is Walter Hebert, who has been with the Alberta Wheat Pool for 25 years, the past seven at St. Albert elevator. Mr. Rosaire Hebert who is 84 years old lives at Youville Home. He came to St. Albert in 1893 and farmed six and one-half miles west of St. Albert till his retirement in 1954. Mrs. Hebert died in November of last year. Guy Hebert, with Bermont Agencies on Perron Street, holds his young son Colin, whose career is to be decided later.
